

# The Trainer's EDGE

at the LDS La Cañada Ward Building, 1830 Foothill Blvd. (at the 2 Fwy)

**April 24, 2010, 8:30 AM to 4:00 PM**

The Trainer's EDGE is the BSA's "train the trainer" course. This course is for all council, district, troop and pack trainers. It is also meant to supplement the practice offered through Wood Badge and NYLT staff development, with a focus on the participant/trainer, while raising the level of skill that a trainer brings to the staff experience.

This course is intended to "train the trainer" on behaviors and resources while offering hands-on experience in methods and media. Trainers should know that only practice can polish your presentation skills. As more than half the course is built on learner participation, **you are expected to bring with you a 10 minute presentation on ANY Scouting subject** – with all the presentation materials and handouts you will need.
