Desert Backpack Awareness Course

Here is an opportunity to build on your HAT outdoor leader training. Expand your knowledge of challenges in the desert environment, and develop the confidence to safely hike, backpack, camp, and have fun with your unit in the desert! As a prerequisite, you must have completed the HAT Basic Backpacking Awareness course.

The course will cover how to explore and enjoy the desert. Subjects covered will deal with building solar stills, geology, plant life, critters, astronomy (and night navigation), weather, health, safety, appropriate food, and all the other things you need to know in order to plan and conduct a safe, rewarding outing in the...
