OUR PHILOSOPHY

We believe Scouts should be having fun while gaining leadership, independence, confidence, and life skills. Scouts generally advance together by working on rank requirements during Troop meetings and outings. We utilize the Patrol method and encourage Scouts to lead and teach each other in a safe, supportive, positive, and encouraging environment.

OUR TROOP MEETINGS

We are a boy-led Troop. Although we are 100% virtual right now, we meet weekly via Zoom on Tuesdays at 6:30pm. Our in-person meeting place is to be determined (TBD). Our Troop meetings consist of rank advancements, Merit Badges, and other fun activities.

OUR ADVENTURES

Although we just started meeting in January 2021, we have many adventures planned when we can meet in person again, including:

Orienteering	Campouts
Paddle Sports	Cooking
Backpacking	Hiking
Summer Camp	Whitewater Rafting
Rock Climbing	Deep Sea Fishing
