

Verdugo Hills Council, BSA, is proud to present.

V-CAMPOREE

April 17th - May 15th, 2021

Welcome to our **V-Camporee!** This has been a challenging year for everyone and even though we can't get together for a traditional Camporee we can still engage in fierce competition that will test our scout skills and spirit....from a distance!

Our V-Camporee will consist of a series of patrol-based competitions that are designed to be completed individually or in small groups and will focus on challenging the patrols' knowledge in many scouting skills, including cooking, code breaking, pioneering, knot-tying, hiking, instrument building, geocaching, and having fun!

Our V-Camporee will run from April 17th – May 15th which give patrols plenty of time to complete their activities.

Scoutmasters will sign up patrols on our council's website through Tentaroo at <https://vhcbsa.org/camporee>
