

BOY SCOUTS OF AMERICA®

VERDUGO HILLS COUNCIL

Haunt-On 2022

Dear Scouting Family,

Thank-you for making reservations for the Cub Scout Family Fall Haunt-On, October 28TH, 29TH and 30TH 2022 at Camp Verdugo Oaks. We are happy you will be joining us. Please download the schedule for Haunt-On, a camp map, shooting sports permission slip, and parking permit. The rules for camp and equipment list are in this letter.

Please be aware we will have Covid rules in place for camp. Please see the attached Covid regulations for Camp Verdugo Oaks.

A very important form we will need you to fill out is the shooting sports permission slip. Please download and fill out. Each person under the age of 18 in your group that would like to use the archery or BB gun range needs to have a permission slip on file at check in. This is a CA state law. Please feel free to make as many copies of this form as you need.

"Do Your Best" is the Cub Scout Motto so we should all Do Our Best to have fun, good food, adventure and a little relaxation. Be prepared for warm days and cool nights as it could be chilly enough for coats or warm enough for shorts.

The Trading Post will be open if you would like to purchase additional crafts, Scout items and snacks.

A very important item not to forget is a cup for hot and cold drinks. This is part of our plan to be more green at Camp Verdugo Oaks. Be

sure they are marked in a way you can easily identify your cup. **We will not be providing cups.** Cups will be available at the Trading Post for sale if you forget yours. There will be a wash station set up outside the dining hall to wash out your cups.

Remember, we are here for the Scouts so let's come ready to have a good time. Please be respectful of other campsites and tents. Lights out at camp will be 10:00 and all quiet in camp by 11:00. Be sure that everyone understands that a tent is not like walls at home and sound travels. If you would like to stay up later be sure to set the example by being quiet.

Please bring 2 canned goods items for each person in your group coming to the Haunt-On; this food will be sent to a local area food bank. In this troubled time all the food banks are in a great need. Remember Scouting is always a service organization. Even the youngest Scouts can do a good turn by bringing a canned good.

When parking at camp please remember parking is limited and tight. Make sure you put your parking permit in the windshield of your car filled out completely. All cars will be parked down on the highway to facilitate an easy evacuation if needed. No overnight parking will be permitted in the small parking lot by the gate. Everyone will be able to unload gear at the camp gate. If you are coming for the Saturday only you will park in the lot next to the gate. Be sure all cars have a parking permit in them. No RV parking except in public campground.

Since this is the Haunt-On we would like everyone to show their creativity by decorating their campsite. Last year everyone did a terrific job and camp look fantastic. Be sure to bring your costumes and treats for our trick or treat time on Saturday afternoon before dinner. Plan on treats for about 250 youth. If your Scouts would like to stay in costume for

dinner that would be fine. Saturday dinner wear is costume or Cub Scout uniform.

Leave your troubles behind as you join your family and friends for the weekend. So Cub-On, Cub-On, let's all go to the Cub-On and have a great time.

Yours in Scouting,

David Potter

PREPARATION FOR CAMP

WHAT TO BRING:

All participants should make arrangements to provide their own tents and bedding.

All youth members are encouraged to wear their full Cub Scout uniform. If a Scout has just joined and does not have a uniform, he should wear jeans or shorts and a Scout t-shirt.

We request that Cub Scouts and Scouters be in full uniform for dinner on Saturday evening or in costume.

Shoes are important: wear canvas or boots! No flip-flops, sandals, or aqua socks (except in pool area) should be worn because of sharp sticks and objects that could cause injury.

A wagon or luggage carrier is useful to carry your gear from the gate to your campsite. A small number of wagons are available during check-in.

We will have a Scout's Interfaith Worship Service on Sunday morning. We request that everyone make it a priority to attend. The 12th point of the Scout Law is a Scout is Reverent. If you cannot attend, we ask out of respect to be quiet in camp and play no games during the short services. No check outs will be done till after services. Better yet come join us.

Participation in the campfire and Scout's Own fulfills a requirement for the Cub Scout Outdoor Activity Award. Be sure to bring your skit and song ideas to add to everyone's fun.

Be sure to live by the Scout Oath and Law when in camp.

There is a mandatory parents meeting (at least 1 parent from each family) on Friday night from 9:15 to 9:45.
