VHC Merit Badge Weekend

Friday, 10/15/21 - Sunday, 10/17/21

Prerequisites

| MERIT BADGE | PREREQUISITES = complete BEFORE attending |
|-------------------------|--|
| Animation | If Scouts can bring their phones, they can download the two iPhone apps: Stop Motion & FlipaClip. |
| Chemistry | 5. List the five classical divisions of chemistry. Briefly describe each one and tell how it applies to your everyday life. 6. Do EACH of the following activities: a. Name two government agencies that are responsible for tracking the use of chemicals for commercial or industrial use. Pick one agency and briefly describe its responsibilities. B. Define pollution. C. Using reason from chemistry, describe the effect on the environment of ONE of the following: 1. The production of aluminum cans 2. Burning fossil fuels 3. Single-use items, such as water bottles, bags, straws, or paper D. Briefly describe the purpose of phosphates in fertilizer and in laundry detergent. Explain how the use of phosphates in fertilizers affects the environment. Explain why phosphates have been removed from laundry detergents. 7B. Using resources found at the library and in periodicals books, and the internet (with your parents permission) learn about two different kinds of work done by chemists, chemical engineers, chemical technicians, or industrial chemists, For each of the positions, find out the education and training requirements. |
| First Aid | Bring a First Aid Kit. |
| Hiking (partial) | Reading book, 10 essentials, water bottle, and backpack. PLEASE NOTE: Scouts will earn a partial blue card towards the Hiking MB as it is not possible to complete it in one weekend. Scouts will spend about 4 hours going through all of the educational aspects of the badge. Everything from First Aid, to equipment, to hiking technique and practical tips and tricks to assist with earning the badge. The second half of the day is spent completing a 5-mile trek. This is just one of the hikes required for the hiking merit badge. At the end of our full day together, Scouts will walk away with a partial blue card along with the counselor contact information so they can meet again after they complete all of the other hikes needed with their friends, family or individual units. |
| Indian Lore | Give the history of one American Indian tribe, group or nation that lives or has lived near you. Visit it, if possible. Tell about the traditional dwellings, way of life, tribal government, religious beliefs, family and clan relationships, language, clothing styles, arts and crafts, food preparation, means of getting around, games, customs in warfare, where members of the group now live, and how they live. |

VHC Merit Badge Weekend

Friday, 10/15/21 - Sunday, 10/17/21

Prerequisites

| MERIT BADGE | PREREQUISITES = complete BEFORE attending |
|----------------------------|---|
| Lifesaving | <p>Swimming MB is required prior to enrolling in Lifesaving, proof will be needed, and any form is accepted (blue card, Scout Book, etc.). Scouts will need to pass BSA Swim test. Due to the nature of time for this MB, it is HIGHLY ENCOURAGED that Scouts begin to practice swimming at their local community pool and swim a minimum of 400yds continuously.</p> <p>BSA Swim Test: Jump feet first into water over the head in depth. Level off and swim 75 yards in a strong manner using one or more of the following strokes: sidestroke, breaststroke, trudgen, or crawl; then swim 25 yards using an easy resting backstroke. The 100 yards must be completed in one swim without stops and must include at least one sharp turn. After completing the swim, rest by floating.</p> |
| Radio | None. |
| Scouting Heritage | Bring Scouting history of their family or themselves (memorabilia). Speak to adult Scouter about their history in Scouting. |
| Swimming | <p>Scouts need to be able to pass BSA Swim test upon class start. Any Scout who cannot pass will not be allowed to take the class. Please practice and/or have a local community pool lifeguard administer a mock test.</p> <p>BSA Swim Test: Jump feet first into water over the head in depth. Level off and swim 75 yards in a strong manner using one or more of the following strokes: sidestroke, breaststroke, trudgen, or crawl; then swim 25 yards using an easy resting backstroke. The 100 yards must be completed in one swim without stops and must include at least one sharp turn. After completing the swim, rest by floating.</p> |
| Wilderness Survival | Before the event, please complete the written sections of the Merit Badge Workbook from meritbadge.org. Bring that workbook, a bag with your Scouting Outdoor Essentials, sleeping bag, a tent, and materials to make a survival kit for requirement 5. |

VHC Merit Badge Weekend

Friday, 10/15/21 - Sunday, 10/17/21

Camper Information

Know Before You Go

- Complete all prerequisites BEFORE attending.
- Have your blue Merit Badge cards signed by your unit leader before arrival.
- 4 meals and 2 cracker barrels are provided for weekend campers.
 - Friday and Saturday night cracker barrels
 - Saturday breakfast, lunch and dinner
 - Sunday breakfast
- Adults accompanying Scouts must provide a Youth Protection Training certificate of completion.
- Check out with Camp Staff before leaving camp premises.

Packing List

Besides your 10 essentials:

- Tent - No larger than 2-man tent. 1 Scout per tent
- Reusable water bottle
- Notebook and writing implement
- For Swimming Merit Badge and Lifesaving Merit Badge - towel and flip flops or water shoes
- Completed in full - Annual Health & Medical Record Forms, Available at www.vhcbsa.org/MBWCVO
- Completed in full - COVID-19 Screening Form for CVO (attached)
- Medication, if needed
- Check the course PREREQUISITES for specific Merit Badge items to pack

Electronics Policy

NO electronics use allowed at camp, unless specifically used for a Merit Badge. Camp Staff will have emergency contact information and all parent/guardian contact information if needed.

VHC COVID-19 Protocols for In-Person Activities and Meetings, updated 8/16/21 (attached)

Please review. The VHC COVID-19 Protocols for In-Person Activities and Meetings is subject to change at any time, in accordance with the CDC, State of California and Los Angeles County Department of Public Health requirements.

VERDUGO HILLS COUNCIL

REOPENING PROTOCOLS FOR INDOOR AND OUTDOOR MEETINGS AND ACTIVITIES

August 16, 2021

These protocols will be reviewed and updated as we receive changes from the CDC, State of California and Los Angeles County Department of Public Health.

Restrictions on meetings and activities imposed by the LA County Department of Public Health due to COVID-19 were updated on July 16, 2021 due to an increase in transmission rates in LA County.

This document and Protocols provide an update on what units can do now. We encourage and request that everyone comply with appropriate health guidelines, get vaccinated (everyone aged 12 years and older) and be flexible in the planning and execution of all Scouting events.

Available now:

- Meet in-person indoors or outdoors following all Los Angeles County Department of Public Health guidelines. (Please refer to the next page for a review of protocols.)
- Conduct overnight activities including camping and backpacking following the current County Health Guidelines in the county. (Please refer to the following pages for a review of relevant protocols.)
- Schedule outdoor unit meetings in parks and at your chartered organization if permitted.
- Attend VHC programs, reserve Camp Verdugo Oaks for unit overnight camping and for unit day events. Cub Scout units and individuals - sign up for Haunt-On. Scout units/patrols - sign up and get prepared for Fall Camporee.
- Develop a unit program plan for the next 12 months. You can combine in-person and virtual activities to best suit your unit.
- Encourage all members ages 12 years and older to get fully vaccinated.

Updated VHC Protocols for In-Person Meetings and Activities

The following is a summary of Protocols for holding in-person Scout meetings and activities.

- Meetings and activities may be held indoors or outdoors; however, it is recommended that units meet outside as much as possible.
- **EVERYONE** participating in indoor meetings and activities are required to wear a face covering. **The 7/16/2021 LA County Department of Public Health has ordered that**

face coverings be worn in indoor settings regardless of vaccination status. For meetings and activities held outdoors, attendees are encouraged but not required to wear face coverings. The use of face coverings is recognized as an effective means of reducing COVID-19 transmission risk.

- Talk with your Scout families. Not all families are ready or want to start in-person meetings now. Tell them they have participation options. Do not force families to attend.
- Conduct fun in-person meetings.
- Eagle Projects no longer need to follow cohort protocols. Participants should follow the protocols for meetings and activities as updated on or after 6/22/2021. If the Eagle project includes overnight activities, then participants should also follow the protocols for overnight outings.

Note: The main impact to Scouting activities of the relaxation of state and county COVID-19 protocols is to eliminate the use of cohorts for meetings. Units should still encourage safe COVID-19 practices which include minimizing close contact, wearing face coverings where the risk of transmission may be higher, hand washing and other sanitation measures. And emphasizing activities that are outdoor as much as possible. The Verdugo Hills Council encourages all adults and youth age 12 and older to get fully vaccinated.

Protocols for Overnight Outings (Unit Based)

Units can hold their own overnight camping activities effective June 13, 2021. The following is a summary of the overnight unit camping trips following State and County protocols.

- All protocols for in-person meetings outlined on the previous page apply to overnight outings. Additional protocols as outlined below also apply.
- All outing participants are strongly encouraged to be fully vaccinated if eligible.*
- All must follow Youth Protection Training (YPT) guidelines.
- As much as possible, follow social distancing. Stress the importance of personal hygiene and camp sanitation to reduce the risk of infection.
- If sleeping in tents the current VHC protocols are that tents are limited to 50% capacity. For example, if you are using a 2-man tent then only 1 person sleeps in the tent. If you are using a 4-man tent, then you can have 2 sleeping in that tent. If more than 1 person is sleeping in a tent then all must sleep opposite each other. If you are using a 3-man tent, it then is a 1-man tent.**
- Due to the LA County indoor mask mandate, the Verdugo Hills Council **strongly recommends** that units do not sleep indoors until further notice.
- Perform a COVID-19 screening of all outing participants.*** If someone develops symptoms of COVID-19, then isolate them from the rest of the group and get them home as soon as practical.

- Under current LA County guidelines of July 16, 2021 all individuals in a carpool must wear a face covering while in the vehicle. It is also recommended to have the windows open.**
- Read the National reopening guidelines.
- When cooking at any activities, the cooks must wear gloves, face shield or face covering. There can be no buffet type serving allowed.

*People are considered “fully vaccinated” against COVID-19 two weeks or more after their second dose in a two-dose COVID-19 vaccine series, such as Moderna or Pfizer, and two weeks or more after a single dose COVID-19 vaccine, such as Johnson & Johnson.

**The CDC, State and County health departments stress the importance of good ventilation as a risk mitigant.

***A COVID-19 screen consists of checking if outing participants are exhibiting any known COVID-19 symptoms. It is highly recommended by the Verdugo Hills Council to include temperature checks as part of the screening process.

Frequently Asked Questions (FAQs) for COVID-19 Unit Indoor and Outdoor Meetings & Activities

What health protocols are the Verdugo Hills Council following?

The Verdugo Hills Council is following the National Boy Scouts of America, CDC, State of California and the Los Angeles County protocols for all indoor and outdoor meetings and activities.

Do units still need to follow cohort protocols?

No units do not need to follow cohort protocols at this time.

Do units need to continue with COVID-19 related record keeping?

Yes, Verdugo Hills Council strongly recommends to continue to keep a record of all those in attendance at indoor or outdoor meetings and activities.

Are participants required to wear face coverings at meetings and activities?

The updated (7/16/21) LA County Department of Public Health requirements state that all adults and youth must wear face coverings when indoors, regardless of vaccination status. For meetings and activities held outdoors, participants are not required to wear face coverings if they can maintain social distancing. The use of face covering is recognized as an effective means of reducing COVID-19 transmission.

Are temperature checks required at the beginning of a unit meeting?

Temperature checks are no longer required at the start of a meeting. The Verdugo Hills Council strongly recommends to continue the practice of temperature checks for all unit activities.

Is carpooling for Scout activities and meetings permitted?

Private carpools with members of multiple households are permitted. Everyone is required to wear a face covering regardless of vaccination status. It is further recommended that windows be down to increase airflow.

Will sharing a tent be allowed?

The Verdugo Hills Council policy is that all tents will be at 50% capacity for both youth and adults. If the capacity of tent as stated by the manufacturer as a 2-man tent, then only 1 person can sleep in the tent; if the manufacturer states it is a 4-man tent, then 2 may sleep in that tent. In the case of odd numbers, the capacity will be at the next lowest number. In Cub Scouting, families may share a tent at 100% capacity. Scouting families cannot share tents per the Guide to Safe Scouting.

Can units travel outside the council, county and state for overnight camping activities?

Yes. Units must comply with all protocols for the county they are camping in.

Do I need to register unit meetings and activities with the Verdugo Hills Council?

No, it is not a requirement to register your unit meetings and activities with the Council at this time.

Council Camps and Council-Run Activities

What are the vaccination/testing requirements for youth and adults attending Council camps and activity programs?

It is **strongly recommended** by the Verdugo Hills Council that all people 12 years and older be fully vaccinated. For those not fully vaccinated, it is recommended to have a negative COVID-19 test 72 hours prior to attending camp or activities.

Will there be temperature checks at Council events?

Yes, at all Council programs and training activities there will be temperature checks.

Will we have to fill out the Camp COVID-19 checklist?

Yes, for all Council events and training it will be necessary to fill out the COVID-19 pre-camp checklist and bring with you.

CAMP VERDUGO OAKS
COVID-19 SCREENING FORM

This form *must be completed* by each family participating in person in this Scouting activity to comply with the Protocols for Outdoor Scouting Activities and Outdoor Scouting Meetings. One form per family must be filled out prior to attending and brought to the event, or filled out on site. For questions, email VHCcovidregistration@vhcbsa.org. Click [here](#) for a copy of the Protocols.

Have you or any family present had any of the following symptoms within the last 10 days?

- Fever (at or over 100.4°F or 38°C)
- Chills
- Cough
- Shortness of breath
- Difficulty breathing
- NONE OF THE ABOVE SYMPTOMS

Have you or any family present had contact with a person known to be infected with or suspected to have Novel Coronavirus disease (COVID-19) within the last 14 days?

- Yes
- NO CONTACT

CONCLUSION

CLEARED. If all the individuals have no symptoms and no contact to a known or suspected COVID-19 case in the last 14 days, they may participate in this Scouting activity.

NOT CLEARED. If any individuals have had contact with a known or suspected COVID-19 case in the last 14 days, they should be sent home immediately and quarantine at home. Quarantine instructions can be found at ph.lacounty.gov/covidquarantine.

If the individual is showing any of the symptoms noted above, they should be sent home immediately and asked to isolate at home. Isolation instructions can be found at ph.lacounty.gov/covidisolation.

Check One Based on Your Answers Above

- Cleared** to participate in this Scouting activity
- Not Cleared** to participate in this Scouting activity and will go home and quarantine or isolate.
