SLEEPING ASSIGNMENTS AND TENT REQUIREMENTS

NYLT is a course run using the Scout-led Patrol Method. As such, participants are divided up into Patrols for the activity. Scouts from the same troop will not be assigned to the same patrol. Therefore, each participant should bring their own tent. Scouts will NOT be sharing a tent with another Scout.

Plan your stay for a three-day event. Include an appropriate amount of extra clothing. Scouts should pack in backpacks. Avoid using duffle bags, foot-lockers, suitcases or trunks.

Do not bring – matches, lighters, fire starting materials, any snacks or food, money, personal electronics (games).

Cell phones are permitted, but we will ask that they be turned off until an appropriate time to use them. If the phones are being used at an inappropriate time, they will be taken away and returned at the end of the weekend.

Suggested Personal Equipment Checklist

This is an outdoor scouting activity, and so your equipment should reflect this. For example, cell phones, and expensive items can be easily misplaced or lost. Be prepared, pack accordingly. The NYLT staff and Council do not assume responsibility for broken, damaged or lost property.
