National Youth Leadership Training Feb. 18-20 & 24-26, 2023 at CVO

[National Jamboree](#) July 19-28, 2023

Legislative Update. [Disposable 1 lb. Propane Tanks Going Away](#)

In August, California passed a bill that will ban the sale of all single-use propane canisters by 2028. Every year, campers leave behind thousands of the little forest green canisters in state and national parks and campgrounds. Some propane cans are disposed of in the appropriate recycling bin, and others pile up on the ground around trash recycling bins. There's no way to know if a single-use propane can still contain propane. Because of this, it's a safety hazard when it comes to disposal. The alternative is 1 lb. propane cylinders that are sold via exchange program that works a lot like the common exchange programs for 20 lb. propane cylinders. The first 1 lb. reusable propane can costs \$22. After that, refilled cans are \$11.

BSA Training Update. Scouting U has released an updated version of "Safety Afloat" online training that is also mobile compatible. To access the updated training, log onto [my.Scouting.org](https://my.scouting.org) and search the catalog in the BSA Learn Center for "Safety Afloat".

Verdugo Hills Council Roundtable Agenda

Thursday, October 13, 2022, 7-8:30 PM Via [Zoom](#)

Safety Moment: [Food Allergies](#)

Developing a plan at camp for those with food allergies takes planning long before the arrival date. It is important that the family and youth begin this process as soon as possible and include necessary leaders and health-care providers in preparing for camping.

Hot Topic: [Scouting for Food](#)

The "holiday season" is a time of fun and treats, but also a time of need for some folks. Let's take a bite out of hunger with Scouting for Food coming up in November, as we provide an easy way to perform cheerful community service.

Hot Topic: [Internet Rechartering 2.0](#)

The BSA offers an online charter renewal process for units. Come learn about the updates in the system from last year to make this annual activity as straightforward as possible.

Cub Scout Leader Breakout: [Welcoming New Families](#)

What could your pack do to make it more fun for new parents? What minimal expectations do you set for your pack's parents? How do you communicate those expectations? What other methods could get and keep parents involved? Come join the discussion of what has worked for your pack, and learn from the experiences of others.

Scouts BSA Breakout: [Engaging Older Youth](#)

Retaining (and even recruiting) older youth can be a challenge. Come share ideas about why a Scout might be drawn to participate in an older youth program. And how can we integrate older youth programs into our troop program planning?

Commissioners Breakout: [Rechartering & Membership](#)

It's that time of the year! Let's coordinate our efforts and see how we can end the year with a bang! There will be more information about Rechartering 2.0 in this breakout session.
