Safety Moment: [Using a Safety Moment](#). Safety Moments are exactly what the name implies: opportunities to prepare for an activity, review safety measures and report incidents correctly. Let's review the who, what, when, where, why and how of this important tool in Scouting.

Hot Topic: [Political Rally Participation](#). During election years, the line between patriotism and political favoritism becomes thin, making it important to remind you of the BSA's official policy on Scout participation in political rallies.

Scouts BSA Leader Breakout: [Cybersecurity Awareness Month](#). The BSA's current youth members don't know of a world without the internet. That's why the BSA includes cyber safety as a core part of all its programs. We'll discuss how the BSA's Personal Safety Awareness videos fit into the program.

Cub Scout Leader Breakout: [Recruitment Events](#). Building the pack's membership is an important function for ALL the leaders. What are some of the strategic things your pack does for formal recruitment events? What kind of culture does your pack have? And what is your council's membership plan for formal recruitment events this year?

Commissioners Breakout: [Rechartering & Membership](#)
