**Safety Moment:** [Hypothermia](#). As we get into the cooler months, let's remind ourselves of 1) what hypothermia is, 2) its risk factors, and 3) the care and treatment of the condition.

**Hot Topic:** [How to Tell Your Scouting Story](#). There's no better recruiting tool than an excited Cub Scout, Scouts BSA member, Venturer or Sea Scout telling friends about their adventures. But if you'd like to reach a bigger audience, here are some practical tips that your pack, troop, crew or ship can use to get local news coverage with little effort.

**Hot Topic:** [Scout Sunday](#). The Boy Scouts of America maintains that no member can grow into the best kind of citizen without recognizing an obligation to God. The BSA designates the Sunday that falls before February 8 (Scouting Anniversary Day) as Scout Sunday, but we'll discuss the nuances and options around Scout Sunday (Christian), Scout Shabbat (Jewish), and Scout Jumuah (Islam). In any event, the time to start planning is NOW!

**Scouts BSA Leader Breakout:** [Adult Roles In Scouting](#). It takes a committed team to run a Scout troop — both the youth leaders and the adults who guide them. Let's discuss what actions you can take to improve your adult volunteers' teamwork, and what can you do to ensure all adult volunteers in your Troop know their roles and responsibilities of their respective positions.

**Cub Scout Leader Breakout: [Duty to God](#).** Besides the discussion during the earlier Hot Topic session on Scout Sunday, how else can Cub Scout leaders provide opportunities for Cubs and their families to do their duty to God? We'll discuss the [religious emblems program](#), the relevant rank requirements, and how to include the "Nones" in this part of Scouting.

**Commissioners Breakout: [Rechartering & Membership](#)**

It's that time of the year! Let's coordinate our efforts and see how we can end the year with a bang!
