SAFETY MOMENT: [Anxiety](#)

With the rising percentage of youth struggling with anxiety, it is important that all adults working with youth of all ages understand and recognize the signs of anxiety and know how to help youth find the help they need and tools to cope with the anxiety.

HOT TOPIC: [Service and Gratitude](#)

Participating in service projects is one way that Scouts keep their promise “to help other people at all times.”

MEMBERSHIP MOMENT: [Membership Recruitment Resources](#)

You can find great information at scouting.org/recruitment, like: BSA Brand Center (with fliers, posters, logos & more!); Social Media Calendar; Recruiting Campaign Kit; and Webinars on Marketing and Membership. As an example, **Webelos Woods** is a great recruitment activity.

SCOUTS BSA LEADER BREAKOUT: [Pack to Troop Transitions](#)

Now is the time to start planning for the successful influx of Arrow of Light Cub Scouts who might choose your troop.

CUB LEADER BREAKOUT: [Camping](#)

How often does your pack go camping? And is it council-organized campouts, or pack-organized campouts?

COMMISSIONER'S CORNER: [Finishing Up Rechartering](#)

Council Commissioner Craig Harris and District Executive Brandon Mejia will answer your final troubling questions about charter renewals this year.
