

News from Camp Silver Fir

June 2023

Good-bye to Bill Semerau:

We were all saddened to hear about the passing of longtime Scouter Bill Semerau on May 25, 2023. Bill served the Verdugo Hills Council in many ways over the years. He was also a Friend of Silver Fir and volunteered as a Camp Master for more than 40 years. As a Camp Master, Bill would host units that came to camp and worked to manage and maintain the facilities. He will be missed. Click the link below for the obituary.

Camp Updates:

As most of you know, the access bridge to Camp Silver Fir was lost in the Creek Fire. This bridge must be replaced before any meaningful camp restoration can take place. We have everything lined up for the bridge replacement. We are just waiting for final plan approval from the US Forest Service Regional Office in Vallejo to be able to proceed.

Camp Silver Fir Committee Chairman, Debbie Wagner and her husband Pat will be going up to Huntington Lake from June 29th to July 2nd, staying at Tamarak Lodge. Camp Silver Fir is in the Upper Line Creek Tract at Huntington Lake. They will attend the Upper Line Creek tract meeting on Saturday, July 1st and the Huntington Lake Volunteer Fire Department Pancake Breakfast on July 2nd. This is an opportunity to network and check on the condition of the camp.
